LaeubiYou can't make SBH visible by a SKIN, its a build in game feature. :rolleyes:

a) YOur can get a cloak skin that is better visible (but don't unhide 'hidden' tnaks/infos)

b) shoot randomly around and then you'r abel to see them for a while if you hit one by random i know your visble for a amount of time..but how the fuck did he track me when i went in random directions....miht have a easier to se skin
