f100d3d wrote on Tue, 22 May 2007 19:46 So under your theory you're saying that people should just cope with ignorant people rather than ask the admins/mods to deal with it abruptly? I would hope that the admins/mods care to make the forums a pleasurable experience. Perhaps I was wrong.

We have to suffer with Greenpeace, the KKK, PETA, etc... in the real life.

Face it, we're all just as guilty as he is of being antagonists and aggressors. Either we all shall be dealt with, or we ignore troop.
