A)also heres some more problems which one one the ob gun and agt gun?

B)and how can u increase the damage from them?

C)and is there a second type of ob or agt gun?

D)and lastly u know the hun icon? that shows what the char or thing ur buying? how can i change that?

E)and

"I added the line and compiled it into SSAOW 1.5, you can download it here:

[http://www.mp-gaming.com/reborn/coderelease/SSAOW1.5\\_For\\_Joe.zip](http://www.mp-gaming.com/reborn/coderelease/SSAOW1.5_For_Joe.zip)

It contains the source code, but all you will need is the folder called "server files". I am assuming you know how to add these to your FDS?

F)are those files ok for CTF? because that's what I'm making

also

G)"[For #4] Do you mean like making a chinook drop of the cargo instead of the cargo plane?"  
please I really want this instead of the stupid cargo plane

I tried that and didn't work only thing that happened was it didn't even show the plane can u guys help me with these new problems instead of making a new post? please

H) I'm still confused don't making things stealth

I) and confused the explosion when killed thing

J)also another thing is there's an agt gun and ob gun is there any other type of gun? like a ceiling gun? or something?

if u guys can please try to answer all so I don't have to keep asking thank you

PS still confused about
