Well considering I played several games with your clan today in renstations, I can understand why you guys think SoQ is so leet.

But I wasnt really laughing at you, just the "ignorance" of your comment I guess you could call it, not calling you stupid, so dont take it like that, your just misinformed or not informed I guess would be the best way to put it.

If you think SoQ is truly one of the best, I suggest you play rU or H2O or -N-F- or some of the other top clans on clanwars.cc
