There's a slightly different reason to join a clan/community: not only to gain more fun in the game but also out of the game because you get to meet a lot of different people.

Or as we like to put it:

“Bring ‘Gamers’ from all over the world together in a friendly, multi-cultural helpful community.”

Employing the following underpinning Core Values:

- Respect towards each other in all circumstances.
  - Friendship first, gaming second.
  - To be helpful to all wherever possible.
  - To exercise high levels of teamplay and teambuilding.
  - To improve gaming skills as an individual and a clan.
