joanne wrote on Tue, 29 May 2007 00:28Well now I am getting kicked about everytime I join and then I go back into game for just a bit and I get kicked and get this message now "Unauthorized Renegade instance terminated" Ok now what it this!!!!!!!!! Why can't you all fix this! Or tell me what I have done wrong with the upload!
Try waiting about 20-30 seconds before clicking 'renegade' (be sure automatically launch renegade when renguard starts is set off). This make you make sure that renguard has finished scanning all your files before it loads Renegade.
