joe937465 wrote on Wed, 30 May 2007 16:35im a little confused when i make that Script_zone_all i add the script there and on the present itself?

I didn't mention a scriptzone, you did. Just mod the object you made that you would like to add as a purchase terminal type thing, attaching the jfw script to it and filling in the input params.

Do not bother with the zone.
