Quote:Hello,

BETA 7 is completely finished on my half with the minor code change here and then, however over the past 2 weeks i have unable to been able to release it due to delays during the PHP coding of the work (i cant code PHP learning however)

I urgently need a new PHP coder to help me fix one last bug in the Rec Ladder (new feature in BETA 7) and am unable to release BETA 7 untill i find the man for the job

if you are interested please PM me here or on the official renforums andwe will discuss rewards if neccersary - credit will also be given on the public release of the rec ladder + NR BETA 7

-Thank you,
