gamemodding wrote on Sun, 03 June 2007 14:21just use the scripts.dll out of this:

GMG_Change_Team_On_Killed attach it to the player that you want to change teams when they die.

I haven't tested it, I'm sure it should work though.

Thanks. I'll try it when I can.

Edit: My version of .rar is corrupted. :/ Can you upload in .zip possibly? Thanks.
