joe937465 wrote on Tue, 05 June 2007 22:40cool ok im my single player maps im add new wep spawn and copy presnets and reanme them and chage there settings

and adding new things and bots

so do they all have to be temp and i DONT add which file?

also when i edit the map snow i got the file form that site its missing a mutil player nod and gdi silo

I am just going to stay out of your topics now, I am frustrated that you aren't paying attention to the tutorial created specifically for you. You are just being lazy, which is annoying when I have taken allot of time to help you.

reborn out
