collins816751 wrote on Sat, 09 June 2007 11:44I went on a server and i got recommended 4 good tank support but it was saying i couldnt get recommended because i wasnt running Renguard but i was actually running Renguard and even when i wasnt it still could recommend me!!!!!!!!!! So can some1 plz help!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!

Bot never lies, you might think you was running renguard but you wasnt, as it crashed while playing I guess.
