(07:45:55) <fl00d3d> (3) I never signed any NDA I only verbally agreed not to discuss RG details

Crimson says:

removed picture of NDA with fl00d3d's signature, I apparently made my point

Furthermore, the NDA is between fl00d3d and myself, not BHS. I am a legal entity because I am a US citizen over the age of 18.
