btw troopr, I'm basically your perfect opponent. Look at the facts:

- don't use advantage skins
 - no history of cheating, lan exploiting etc
 - if I lose I won't pretend it never happened, I'll just say gg
 - if I win I won't overly boast about it or "get a fake game added on Cw.cc ", I'll just say gg and maybe post a ss here, that's all
 - everyone will stfu about the "So when are you gonna do this 1v1 with Spoony?"
