One Winged Angel wrote on Sun, 17 June 2007 15:48A few years back I got C&C DOS and Covert Operations packed in their original oversized boxes with the instruction manuals in mint condition for 50p each. Helluva bargain but it is a shame that I haven't been able to use them on my current system

i think u can use it, but u gotta check compatibility mode for Win95 i think
