Crimson wrote on Tue, 19 June 2007 10:06I changed n00bstories (a long time ago) to require 5 people to forcerg instead of the default of 3. I also removed the annoyance reminder except when you first join. It works pretty well for us.

It's a shame other servers havnt followed.

I know some servers that only allow you to use 'basic' commands if you aren't running RG...
