Kirby, you are too kind, really, out of everyone, you give me the most support here lately.

Thanks all, but as it has been said, i am a very busy person, and to take the time to moderate these boards would take away time to contribute new items to Renegade.

I have about 15 current projects with Renegade (i haven't forgotten those that asked for help ) and adding a community to moderate... don't want it.

Again.. thanks for the nominations, but i have to sadly decline.
