Will you do it for me?

problem...everytime we get somewhere theres cheaters and bypassers that set us years back, like bluethen (who was actually caught MAKING cheats) and BBFcheeky who was shit even with cheats, and then Public WOL clans think they are good because the "own" the 1day players in there servers, like EKT who play EVEN worse than BBF, and thats an accomplishment

Know do you see why its that hard?

You wanna play me ingame, Sniping?

Ill blow your head off before you even get out of your base,

And Ill use RG, no cheats, and have you pic the map, side, and other crap.
