Renegade wrote on Tue, 03 July 2007 01:30 Why does everyone care about 1 Vs. 1's?

Personally, I'm good in a tank, excellent with a sniper, but crap when it comes to defending with anything other than 1000's.

Everyone has their strong points, but this 1 vs 1 bullshit, is getting stupid.

Just because you can beat each of the other players teams one on one, doesnt mean you can beat the team.

After all, this is a TEAM game, right?

QFT
