oh wait I found it, it went something like this

[09:48:05] <%JellyBot3> Player Starbuzz joined the game, fighting for team GDI
[09:48:09] <%JellyBot3> Host: Starbuzz is not ranked yet.
[09:48:13] <%JellyBot3> [Server Status] Players: 1/30 - SFPS: 60 - BW: 7 kbps
[09:48:18] <%JellyBot3> Starbuzz: come on bitches...come play
[09:48:23] <%JellyBot3> Starbuzz: !next
[09:48:25] <%JellyBot3> Starbuzz: !nextmap
[09:48:26] <%JellyBot3> Host: The next map will be: C&C_BunkersTS.mix
[09:48:26] <%JellyBot3> Player Starbuzz left the game
[09:48:26] <%JellyBot3> Starbuzz was kicked

It was the server itself doing it, NOT US. This does happens at times. Just need to report it and we allow the nickname (server restart nightly on this one).
