R3N3G1DE wrote on Fri, 06 July 2007 00:06Let them, why can't renegade just have updates?

And sell them more while they are updated.

It would be a big / fantastic game, trust me.

Cos people who already have it wouldn't rebuy it, and if they create a new one, it will be bought.

Plus, the engine needs a massive update, and hopefully, this one gets finished
