put a ; at the end of each line

```
<?php
```

```
/* This file contains the connection settings for your mysql database, where  
the rank data will be stored. If you do not wish to use the searching and sorting  
features of the ranks page, or do not have a mysql database, set the $dbhost to -1 */
```

```
$dbhost = '-1';  
$dbname = 'database';  
$dbuser = 'username';  
$dbpasswd = 'password';
```

```
?>
```
