But please, No troop.

^your that fucking scared to get another asshole raped into you? Thought so, go bbf

p.s still knowing that I would rape you ingame doesnt mean i shouldnt play...

I've asked you for 1 vs 1 in sniping.

You going to take me up on my offer? I wouldn't mind showing you how deadly I am without cheats.

Ill use Renguard, no Hacks, take multiple screen shots just to shut your ass up.
