Come try us on a cw... give me your msn on pm kthx.

Well when I created [LoD] I did not know that there was another clan named after that, so my
appoligies, so I guess were naming it... {LOTD} rox! ROFL

And I still dunno why tesla have posted my clan page when he has nothing to do with it. ROFL he
calls me a stalker, when he posted my damn clan page
I guess he was that desperate!

Be more then happy to setup a game
