me and my serv once beat them ina comm war when they were cheating this guy was hs seconds after seconds one by one behind walls when 4 people were watching killing them in base over 20 people accused and they did nothing now this cam across me
if u guys already saw this im sry but its fuinny they hacked and we won and beat them BADLY

EDIT: srry i see theres already a post on him im srry and ps my serv was not gamerz0ne

and they guy that was hacking was stonecoldkurby
