i know gse, doa, aoa, tmw and other kick ass clans of old times..

and players like rohirrim, de7, mrpirate, fulg, zeti..

reason i post here is i couldnt find the website of the server..

^Using words like "gse" and kickass in the same sentence doesn't make sense. I also agree with Alex or whoever, if you know this game so well, why would you possible play in this made up "CNC Mode" which is actually nothing like anything related to the actual game

i play on this server cuz i figured out that u can buy aircraft on every map..

its some new experience and fun

anyway if u dont believe me.. im a very well known old skool on gsa..

u can get info about me from gsa communit
