Hah. Well.. I got my nickname from Real Life..

There was this one day when I was 15 and I was down the square with my brother and my mates and being young and whatnot I insisted on having longish hair, on that particual day I was having a bad hair day and all my friends just called me Capt. Caveman, ever since then thats who im known as.

Even now after 5 years im still called Cave by my friends in real life.
