the pd is from a clan me and my friend made for renegade a while back. his name was dish, and we called him petri dish on occasion so that ended up being the clan name.

the 2 was because his name being part of the clan name we made him leader and gave him a 1 and me a 2 (we would give a clan number on order of acceptance into the clan).

simy is short for simytinly which is random letters i typed when making a name for lineage 2.
