Interested in becoming a member of a dedicated Team. Then look no more. Team =NX= is recruiting. We currently only have Division's for the A Path Beyond mod, Reborn mod (inactive until release), and C&C 3. We would like to find some leaders and people that know teamwork and respect so that we can bring Team =NX= into C&C Renegade.

#### History of Team =NX=

Team =NX= was originally founded in 2000 by NXUnique. Back then, =NX= was referred to as a clan. The clan went through many fun times in C&C Renegade. It got to a point, that in the year 2004, the clan couldn't support its self anymore. They had no donators to fund the site. The clan died out. The clan was revutilized on November 10, 2006. To this day, the =NX= Clan was no more. Team =NX= was born under the motto of T.E.A.M. (Together Everyone Achieves More). Team =NX= has dedicated its self to helping the APB Community and communities of other supported games to becoming better.

#### What you gain from joining Team =NX=

Trying to decide if Team =NX= is for you, well take a look at what we have to offer.

Team =NX= offers an environment for all. If your new to the game, we have what will help you learn more about Renegade. Our private Tactical Control Room is working hard to put together tactic's and info about everything in Renegade so that you can learn how to play and become a better player. You will learn everything you need to know about Renegade. Still not convinced are you, well what a about a bunch of friendly gamers.

Yes, that's right. Team =NX= invites all. It's our duty to bring to this community a place where even our haters are respected. Yes, you heard me. Something that has been put into action and is working very well, is respect. Treat others the way you want to be treated. You give respect, you might just get it in return. If you give respect and get disrespect back, o well. It's time to go on with life. You serious, your still not convinced to join. Well, do you have a bad past.

Here at Team =NX=, we don't judge people on their past. The past is the past. It's the present that counts. Just as an example, our C&C 3 Division Commander VOLK0V use to be a hater of Team =NX=. He said some pretty nasty things, but what happened later in life? VOLK0V joined Team =NX= as a part of our APB Division, and has decided to try and save our C&C 3 Division form no longer being supported. Your past will not affect your acceptance into Team =NX=. It's your attitude right now that counts.

By now, you must be excited to join Team =NX=, so I'll stop with all the talks and let you stop by [www.team-nx.com](http://www.team-nx.com) and fill out an application.
