trooprm02 wrote on Tue, 24 July 2007 10:08Nope, I wouldn't even by the DS for it. The DS's lack of online anything and firmwire restrictions make it almost useless, I see this working MUCH better on the PSP

As a person that has been involved in the PSP homebrew community for over 4 years and an owner of 3 PSPs (one 3.40 OE-A, one 1.5, and one 2.71 thanks to my bro.) i can honestly say you are wrong. Though the graphical power on the PSP greatly surpasses that of the DS, the DS's touch pad makes it very suitable for a C&C title.

Jamie
