luv2pb wrote on Wed, 01 August 2007 16:02I guess someone needs to explain a DDOS attack to me again. I don't understand how you lose your pants in that process.

Well, in a sad existence, you only have the Internet and masturbation. If you lose connection to the Internet, all you have left to do is to masturbate to 5GB of porn on your computer. I guess this is how one would lose his pants in a DDoS attack.
