LOL whose angry now? Defensive are we. You just blew up over 1 small paragraph .

BTW my life is snowmobileing, if I really played so much on renegade wouldnt I have all this kills and deaths and wins and loses? I have only played for about a few hours a day. I have mabey played a total of 2 weeks all together the whole summer. I was on vaction for 4 weeks. On the other hand you do have time to organize the clanwars.cc site, host your server, post all these responses, play in clanwars, and anything else. I doubt u do anything else but use your computer so why are you trying to call me a geek? I dont know the first thing about programming or anything I just play game nothing geeky about that. I also have way more friends than you could ever imagine my boy.
