Homey wrote on Thu, 02 August 2007 19:05 This only happens when I have a hopeless team. It's not that important to use teamwork. Sometimes doing stuff like that is just more fun than trying to organize a bunch of tards.

SBH FTW lol

A few of you doing this on the PED is well worth the laugh. Especially if the 2nd nuke is outside the building. That way the game is won or the building goes BOOM.

How many of the nuggets do you see that dont mine the entrance to the PED after the building blows
