That's right modders of the Renegade Community, we are looking for people like you who can texture our models.

Requirements:

Understanding what an UVW unwrap is and looks like (can be taught).

Player of Red Alert 2.

Decent to excellent texturing ability.

Superb attention to detail.

You may use any tools of the trade to get this job done (Photoshop, Paintshop, GIMP etc).

If you think you're fit for the task, show me some work and give some details about yourself and send them to [marpoole789632145@yahoo.co.uk](mailto:marpoole789632145@yahoo.co.uk)

Oh, and don't forget to have fun while you're doing this. ^^
