and plus i think if anyone helps chets shoulnt be allowed no matter what they do its like a onwer of a server u caught him hacking everyone wanats his shit dead \*cough\* dukegame,xphaze \*cough\* hehehe so does that mean the owner of renegade will get abnned 2? or better yet its workers?

You keep a cheater off a Renegade server because he's making the game unfair to other people. A cheater can't cheat on a forum.
