Attach this script to the PowerUp. But then you need to find out how to drop the powerup.

JFW_GrantMoney_Powerup (clone of M00_GrantMoney_Powerup)

ScoreAmount (how much cash to give)

Entire_Team (give to everyone)

Randomizer (randomize how much cash to give)

EDIT: You don't need to edit Scripts.dll just to drop a powerup! There is already a script for it but I dont know what it is.
