---

So I pull up into Burger King one afternoon for a nice good meal and park right smack in front of a nice big fucking sign. I took a picture for you guys:

As you can see, an angry citizen had already taken action and I applaud his actions.

How dare they try to tell me that I can't eat in my own damned car?

I know it's their damned parking lot but it's MY fucking car and I would be eating their own damned food bought with MY money from my pocket.

Any opinions?

EDIT: Oh and with like 5 Burger King trash cans all over the lot, I don't think any person would be that retarded to throw trash on the lot.
