Chances are, if he got banned, the message told him to go 'to the forums' ... so he probably Googled 'renegade' and 'forums' and came right here.

Seems like he may have fixed his problems, but still... he's not going to be too happy if comes back and sees that people are being total dicks to him.
HOW could not know which server you've JUST been kicked/banned out of? Plus most servers have messages that say "COME TO OUR FORUMS BLAH BLAH BLAH"
