I WIN I WIN I WIN!

I never tested this so i cant really say if it's good or not, so this is your last trail to anything reborn nod soldierish.

I dont really like the screenshot, but this is it really...

Oh and a helmet mod wouldnt work online due to it changing your and everyones head size, westwood made it so any body parts replaced with w3d files wont work online, you cant connect to servers or see a list.
