Funny thing in Renegade huh? I went to a n00bstories server today. There was like maybe 6 people. All complete retards. LOL.

The map was Hourglass and I was Nod. I bought an APC and killed their PP. Then I came back to base for refill and bought nuke and killed their Barr and Ref. By the time I came back with another nuke, someone on my team nuked the WF.

Then I laid a nuke at the AGT and started killwhoring with my APC. LOL...I was lolling so hard I almost broke my laptop keys. ROFL. Easiest game ever.

It was so funny as shit I forgot to take SS of the end-screen. Anyway, look at the rewards I got for that game ROFL!

LOL...I wanted to let the poor n00bs alone and have fun so I quit and went to another server. LOL.
