Xpert wrote on Sat, 08 September 2007 14:37 I think it's between Reborn and APB. But my choice would be Reborn. APB is just too slow of gameplay for me. I get bored waiting for credits just to buy stuff like a rocket soldier.

Same.

After 5 minute's, then it's fine, as alot of money is rolling in, but at the start, it's just boring, watching everyone shoot at each other or using taunts.

I'll mostly just to join and go in spec mode and fly around as an Ora Truck.
