Quote:

The fact is, just as anybody should be able to buy kitchen knives, cars, and tissues, people should be able to buy guns. There's no real logical argument against it, besides your knee-jerk, "OMG WUT IF DETH HAPENZ". Oh well. Shit happens. Kitchen Knives and Cars have a real use (cut bread/drive to grandma who lives 100 miles away) - A gun hasnt. I dont think the Guns you buy in a Supermarket or something are used to go hunting.
