C C_Ren-APB wrote on Wed, 12 September 2007 18:55l have and only use it on my server, and yes it was buggy but i dont release it, cuz it's to far advanced for the average "joe".

And a good programmer should take to Any type of criticism good or bad , as it's all good.

Not reply like some imature child.

It's says alot about the person in question.

Nobody actually listen to this fag, he has NO idea what he talking about AT ALL, he's not even smart enough to get BR setup, let alone actually use it. Danpaul, dont put up with this geek either lol.

I thought saskatchewan had enough of its own problems?

EDIT: This is the same guy that stole my a00 nickname, I chaned the pass so he couldnt use it for his own pure shit server, came to these forums, made a total fag out of himself, said he called his lawyer and the RCMP (royal candaian mounted police) on me, and that swat was gonna raid my home anyday LOL. It seems he now has moved on to APB, and has changed his name ROFL
