Hello everyone,

On Friday, July 4th, I will be leaving (5:00 New York time) to go on a family trip to Europe. I will be back on the 22nd of July. I will have no access to any computers whatsoever.

So that all of you know, I'll be gone for about 3 weeks. As for Modern Warfare, I am leaving Skier222 (SkierArc) in charge while I am gone. He will take care of the website updates and such. All members should check here:

<http://www.arm-ent.com/forum/forumdisplay.php?s=2fc7b7432a36cd972760df8e1cd3a00d&forumid=163> for you modding tasks. I will get them posted soon.

When I do get back though, I am getting a brand new laptop, so I will be able to be on the computer alot more.

I am trying to get in contact with RealVlad (the guy over at Arm-Ent) to see if the site is up yet. If you have anything to say before I go, or any questions about the mod e-mail or PM me A.S.A.P.

For now, so long and I will cya soon!
