Oblivion165 wrote on Sun, 16 September 2007 12:18Turning this into a serious topic I would just like to say that this is probably going to be the best Mario game since Super Mario 64. They are going back to the "collect stars" system and the time they are taking on it suggest they give a damn. According to a lot of reviews the engine was practically perfect a year ago so my hopes are very high.

Well if I ever manage to get my hands on a Wii I might give it a try. I got Mario 64 DS and it is fun.
