OK Dean, i fixed youre Lua. Most Commands i tested and they worked, maybe some commands wont work perfectly.

Changes:

1- On some Commands like !Help etc. you get a Message!

2- Added !Extra command.

3- If you type !Extra you get a Message with 3 new Commands.

4- !Host Command got a new Skin! The old skin dont worked.

5- !S has been deleted. (The command where only special players can use to get SBH for Free)cuz i have no time now. But i send u the commands later!

6- Now Tanks arent free. They cost currently 10 Credits. But you can change it on:
if Purchase_Item(Get_GameObj(pID), 10) == 1 then
[Only Change the 10]

If some Commands dont work please tell me here or add me in MSN.
