Thanks for the tips, im like 1-4 atm and that 1 win is from a 2vs1 game Lol, Maybe I should do single player or atleast tutorial? because atm, im always just nod, make what im familiar with, hon for inf, and wf (shouldnt it be an airstrip?) for vechs, you get alot of starting money in this game (10k-40k) so i build alot of shitty inf and vechs and rush Has never worked (-that 1 win )
