Caveman wrote on Tue, 25 September 2007 04:15 You sure do have alot of faith in people that you obvously do not know. If someone is out to point whore, they'll find another way to do it. Some people just like being pricks. This fix isn't going to change them.

What are you talking about? What is this "point whore" crap? I'm saying what I've been saying for ages: you should not get points for attacking things you don't damage. What is the problem with getting points for attacking things you do damage?

For roshambo: if someone's hitting a building with an arty, MRLS, whatever, are you aware it takes one person to stop them?
