I agree, I 1 vs 1 a lot and nubs just leave, I always stick around until the game ends, then say gg and goodbye if I am about to leave, I dont just leave and let the game end. Plus 1 vs 1, your expected to mine, defend, rush, and pointwhore all at once, if you have a team of 5+ players, you do only 1-2 of those things the entire game and take it relaxed, in 1 vs 1, you sit on the edge of your seat, looking around every corner and defend/attack.
