If you were in my server, I wouldnt kick you right away, but if you stole/killed team vehicles, cursed waaayyy to much in every sentence, and kept doing things like obby walk, tunn beacon, then I would kick.

Otherwise if you hacked I walk check IRC and ban you without testing unless i'm not 100% sure. Sommtimes I get PM'd

"Omg why am i banned"

"cause you hacked"

"omg nub, how you know?"

"Irc logs ftw"
