Just now while listening to Rush Limbaugh, (Yes, i am a conservative), he was ranting about the fact that Miller Brewing company is sponsoring a gay thing down in San Fransico. That wouldn't be so bad except for the fact that the party is Christan themed. Basically they have a thing called the Last Supper, some Leisbians are calling themselves "the queer nuns" and other things like that.

Christans here in Wisconsin are totally outraged at Miller for sponsoring this. It is a complete mockery of Christianity as we know it and Miller refuses to revoke the sponsor ship. I think that this targeted to get a rise out of us. If so, then it is succeeding for me.
